

BUSINESS & FINANCIAL FUNDAMENTALS[®]

FOR CHILD CARE

 **First Children's Finance**

First Children's Finance is dedicated to helping child care providers run a financially sustainable and successful business. With Business & Financial Fundamentals[®] series for Child Care Homes or Centers, you'll receive simple business tools to help you understand and build your business. Even better, after the training you will have access to individualized coaching to help you get started, at no cost to you.

Benefits to Your Child Care Program

Business & Financial Fundamentals[®] includes eight 90-minute training modules. You'll gain a better understanding of business practices, receive practical tools and resources.

1
BUSINESS TRAINING

2
QUESTIONS ANSWERED

We can answer questions about budget, cash flow, reducing liability risk, or other child care business topics.

Receive personal coaching helping you to build a sustainable business foundation.

3
PERSONAL COACHING

Charity Hartson, Charity Hartson Child Care, had this to say about Business & Financial Fundamentals for Homes:

"Business & Financial Fundamentals is a course that can change the direction of your childcare business for the better. Treating your in-home as a business by using the tools set-forth in this training will bring peace of mind and success!"

Nicole Timmons, Owner/Director, had this to say about Business & Financial Fundamentals for Centers:

"The [Business & Financial Fundamentals] class that was offered through First Children's Finance was phenomenal. I only wish I would have taken the training 3 years ago when I opened my childcare center."
