## First Children's Finance

September 21Bound Governance for Child Cale Centers6-8 pmThe work of a governing board of directors is critical for the long term-term health and sustainability of non-profit child care programs. Being actively engaged is the first step in supporting the mission and vision of non-profit child care centers. This training will cover board governance topics such as roles and responsibilities, recruitment, and onboarding of board members and how to assess your current board effectiveness. We will also discuss board fiduciary responsibilities and look at the different financial reports used to help plan for a sustainable future. This session is for non-profit program leadership, executive directors, and board members, and can be most effective for a team from an organization that includes both.To register:https://northernlightsccv.org/trainings/board-governance-for- child-care-centers-2/September 26 6-8 pmDeveloping a Marketing Plan for Your Family Child Care Business Learn basic marketing principles and concepts. Complete an environmental scan. Identify features and benefits of your child care program. Analyze child care competitors. Identify strategies to build an effective message. Define target market to secure future enrollment. Learn how to use marketing principles to secure community partnerships.	September 21	Board Governance for Child Care Centers
