

BUSINESS & FINANCIAL FUNDAMENTALS[®]

FOR CHILD CARE

 **First Children's Finance**

First Children's Finance is dedicated to helping child care providers run a financially sustainable and successful business. With Business & Financial Fundamentals[®] series for Child Care Homes or Centers, you'll receive simple business tools to help you understand and build your business. Even better, after the training you will have access to individualized coaching to help you get started, at no cost to you.

Benefits to Your Child Care Program

Business & Financial Fundamentals[®] includes eight 90-minute training modules. You'll gain a better understanding of business practices, receive practical tools and resources.

1
BUSINESS TRAINING

2
QUESTIONS ANSWERED

We can answer questions about budget, cash flow, reducing liability risk, or other child care business topics.

Receive personal coaching helping you to build a sustainable business foundation.

3
PERSONAL COACHING

Coaching participants appreciate the one-on-one opportunity to discuss financial concepts covered in training and a guided approach to implement business practices. Some of the topics discussed include:

- Calculating enrollment percentage and optimization.
- How to use financial reports and develop financial policies.
- How to create a monthly cashflow worksheet and annual budget.
- Cost per child and other tuition and revenue strategies.
- Communicating tuition increase and policy enforcement to parents.
- Calculating time/space percentage and discussing other tax deductions.
