

BUSINESS & FINANCIAL FUNDAMENTALS

Training Series

This series of eight modules is designed to introduce and engage center directors in the fundamental business and financial practices necessary to operate a quality child care program. Participants walk away with better understanding and skills to put what they have learned into immediate use. Upon completing the series, participants have access to monthly coaching with a First Children's Finance Business Development Specialist, all at no cost.

Series Modules:

- Module 1:** Child Care is Your Business—Plan for Success
- Module 2:** Marketing and Enrollment
- Module 3:** Financial Statements, Policies, and Procedures
- Module 4:** Cash Flow
- Module 5:** Annual Budget
- Module 6:** Tuition and Revenue
- Module 7:** Facilities and Equipment Management
- Module 8:** Building Your Quality Staff
